

BIODIVERSITY ADVISORY PANEL

STATEMENT OF INDEPENDENCE

To whom it may concern,

We, the undersigned:

Biodiversity Advisory Panel (BAP)

1. Dr. Sri Suci Utami Atmoko
2. Dr. Rondang Siregar
3. Dr. Puji Rianti
4. Dr. Onrizal

PT Agincourt Resources (PTAR)

1. Ruli Tanio
2. Noviandri

would like to make these following statements:

1. Biodiversity Advisory Panel (BAP) was established at the initiative of PT Agincourt Resources (PTAR).
2. BAP main objective is to work with PTAR in identification and mitigation of risks to biodiversity, more specifically to orangutan, of mining activity in PTAR's Martabe gold mine (STUDY).
3. PTAR have given freedom and authority to BAP to conduct the STUDY in accordance with applicable scientific standards. Therefore, PTAR shall not intervene BAP at any time.
4. BAP has rights to:
 - be facilitated/assisted by PTAR to carry out its work program, including access to required data/information as per Indonesia regulation;
 - decide freely methodology of works without PTAR intervention;
 - express its position/opinion regarding any issue independently;
 - be fairly compensated financially to deliver well specified and time-bound service;
 - declare in writings any violation of those rights above.

Jakarta, 30 January 2023
